About me

Welcome!

SHAUN WILSON
Graphic Designer

Hi there! Thank you for taking the time to let me introduce myself. My name is Shaun. I have had the opportunity to have moved around as a child and more as an adult. That, combined with the interactions I have encountered along the way is what has helped me become the designer I am excited to present to you today. I hope you enjoy what you see! I am always finding ways to grow and excel in what I do so it is possible you will see new and creative work in the future the next time you find me.

I find myself taking everything I can learn and bringing it into Photoshop and Illustrator to create striking designs I can come up with. Although that is where I tend to hang around mostly I also extend my interests towards App design, branding, packaging and logos. I also enjoy creating in 3D space with Autodesk 3ds Max.

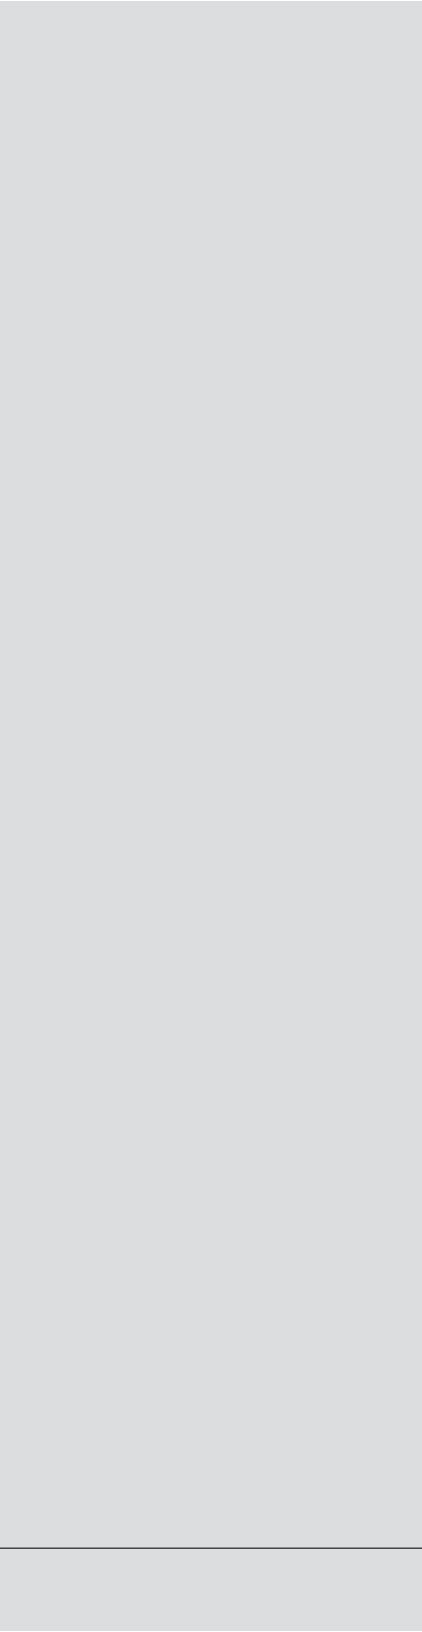

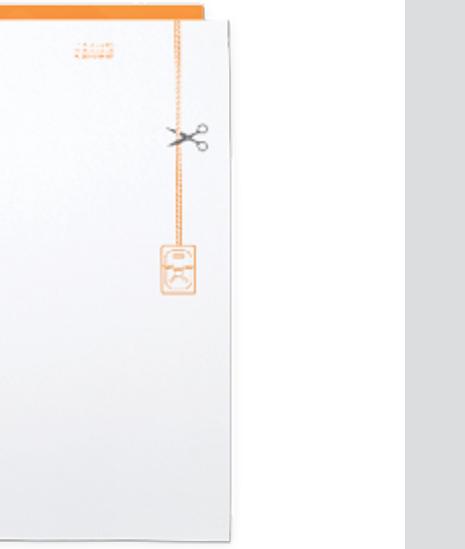

When I'm not designing I am usually hanging out with my wife and kids, looking for a new place to hike, going for a run, playing Destiny or catching up on movies.
